

# Redesign this \$10,000 bill to represent God's Kingdom.

Whose picture should go in the middle? Use magazine clippings and glue or color with markers, crayons, etc.

Cover the words "United States of America" with all the people who make up our country.  
Cover up each "10,000" with what the money could be spent on to build Jesus' vision of God's Kingdom.  
Find some plants and animals to cover the area on the sides. They're part of God's Kingdom too.  
Find some pictures to cover the emblems that show God working through us to build a place for hope.
