

Mini Ark

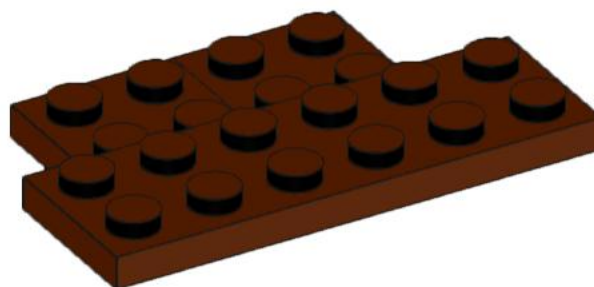

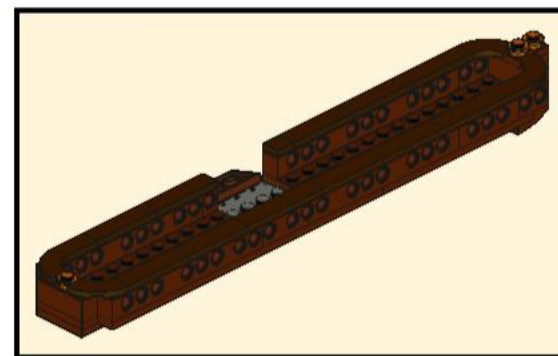

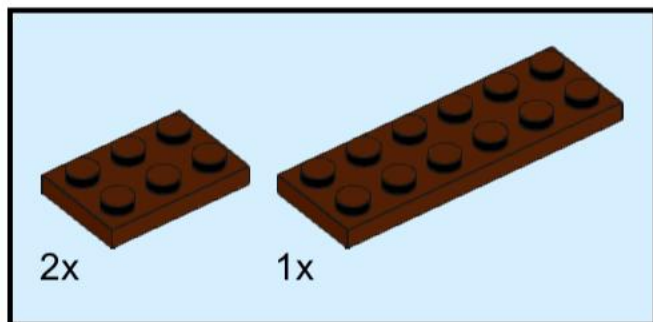

"Make, with your own hands, an ark of strong wood; make rooms inside and fill in every gap. Build the ark with these instructions: The ark is to be three hundred blocks long, fifty blocks wide and thirty blocks high. Make the ark a roof, with an opening all around. Build a door in the side of the ark along with lower, middle and upper decks.

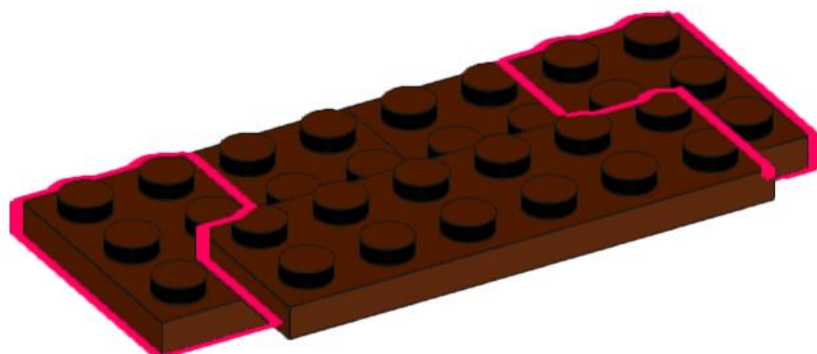

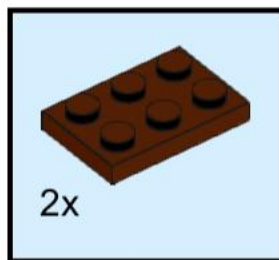

Genesis 6:14-22

I am making a promise to you, you and your whole family will go into the ark. You will bring all the animals to live with you. Bring pairs of every kind of bird, of every animal and of every kind of creature that moves along the ground. I am sending them all to you to be saved on the ark. Take food for your family, including the animals, into the ark." Noah did everything that God instructed.
